### **TO WHOM IT MAY CONCERN**

M.B. Technosoft Consultants (P) Ltd. has served Loreto College since 2011. Over the course of the years changing and adapting to the needs of the hour with reference to the design, development and maintenance of the Loreto College Website portal which includes an online examination portal, College fees and an array of support services has been the strength of the Company.

We are satisfied with the prompt services rendered and modifications sought by those to whom the College is accountable. The Company has been instrumental in assisting the growth of the College. The commitment of M. B. Technosoft Consultants (P) Ltd. to helping in several new areas of MIS over the years is commendable.

I thank M. B. Technosoft Consultants (P) Ltd. for the dedication with which they have executed their responsibility to Loreto College.
